PROFESSIONAL SUMMARY

Currently pursuing a Master's in AI Engineering at ISEP. I am a proactive and responsible professional with strong organizational skills and a proven ability to work effectively in multidisciplinary teams. Experienced in developing end-to-end applications (Flutter, Firebase, FastAPI) and complex AI-driven solutions. I am highly motivated to contribute to innovative tech teams, offering quick problem-solving skills and a fast learning curve for new environments and technologies.

TECHNIQUE SKILLS

- **Development Linguages :** Dart, Python, C/C++, JavaScript, SQL.
- **Mobile & Web**: Flutter, Firebase, Django, Flask, HTML/CSS
- **IA & Hardware:** Computer Vision (OpenCV, YOLO), Neural Network, Microcontrollers, FPGA, Raspberry Pi.
- **Tools & OS:** Git, GitHub, Linux, UI/UX Design, Microsoft Office(Word, Excel, PowerPoint
- **Languages**: Português (Native), English (Intermediate)

PROFISSIONAL EXPERIENCE

Project Manager & Lead Developer

- **IFClube**: Developed a full integration platform using Flutter and Firebase to enhance student collaboration. Led development teams, coordinating tasks and ensuring high-quality delivery under tight deadlines. Managed the full lifecycle of applications, from database modeling to UI implementation.

AI Technical Assistant (Computer Vision & Embedded Systems)

- **Traffic Monitoring**: Configured AI environments on Raspberry Pi 4 B for automated vehicle monitoring using YOLOv8 and OpenCV.
- **Health Monitoring**: Integrated biometric sensors with FPGA and BitDogLab for real-time vital sign processing.

Mobile Developer

- **Connect IFMA**: Implemented features for an academic social network, focusing on backend integration with Firebase.
- **TransporteIF**: Developed authentication and ticketing systems for a driver-passenger app, prioritizing user experience.

EDUCATION

- **M.Sc. in Artificial Intelligence Engineering** | ISEP, P. Porto (In progress).
- **B.Sc. in Computer Science** | IFMA, Brazil (In progress - Dual Degree).
- **Professional Residency in Embedded Systems** | IFMA (Completed 2026).
- **Professional Training in Embedded Systems** | IFMA, Brazil (Completed: Feb 2025).
- **High School Diploma** | Colégio Militar Tiradentes IV (Completed 2020).
